

TANMAY KACHROO

Full Stack Developer And

About Me

Hi, I'm Tanmay Kachroo, a passionate self-taught frontEnd web developer from India. I tend to make use of modern web technologies to build websites that look great, feel fantastic, and function correctly. I am especially focusing on Reactjs.

Since I love both programming and designing, I'm also interested in creating programmatic designs and creative coding projects.

Tech Tools

Firebase

React.js

Node.js

Javascript

HTML

CSS

Preferred Stack :

Firebase 

React.js 

Node.js 

Express.js
